Youth Day Celebration at PESIAMS

Date :11-01-2020

“Women are the true educators who can spread the knowledge that she has gained to quell the darkness around her”, said Dr. K Sailatha, Principal PES Institute of Advanced Management Studies and chair-person of sexual harassment cell of the college, at a programme organized jointly by the cell and the NSS unit. While addressing the girl students at the event organized on the eve of Swami Vivekananda Jayanthi celebrated as youth day, she stressed on Swamy Vivekananda's perspective on women's education that educating the women first and leaving them to themselves would help them to identify the reforms that are necessary for them. Quoting the words of Swami Vivekananda in her speech regarding the capacity of women, she said that 500 males can win India in 50 years which can be done with a few weeks by 500 women and how important it is for women to be treated on par with men, as what lies within everybody is soul which has no sex; it is neither male nor female and it exists on in the body. She inspired the students with the words of Vivekananda that there is no hope of rise for the country where there is no respect for women as it is not possible for a bird to fly on one wing.

Ms.Priya Shivamogga, Karnataka State Coordinator of Sodari Nivedita Pratishthan, who was a guest speaker on the occasion, educated the audience as how Vivekananda could within a short span of life lasting only for 39 years could inspire and win the hearts of millions of people around the world. In her mesmerizing speech, she described Vivekananda as a towering personality having the mind and concentration of Adishankara and the heart of Buddha. Quoting his Chicago address through which he could make India and Hinduism known worldwide, she explained the significance of 'Vivekananda Rock' at Kanyakumari where he meditated continuously for 3 days. Continuing her address, she created awareness among the girls about one more towering personality sister Nivedita who was a close associate and disciple of Vivekananda. She briefed the audience about her life and how Nivedita born as Margaret Elizabeth Noble, an Irish teacher,

greatly inspired by Swami Vivekananda and who wished to learn the culture of India, came down to India and contributed towards the education of women in the light of their own civilizational value and how she devoted her life for their welfare and how she identified herself with India to such an extent that she used to do Jata of Bharath Mata and was during enough to make her school students sing Vande Mataram and how rightly she was called a Lioness' by her guru.

Smt. Vidya Raghavendra, District coordinator of Nivedita Pratishtan enlightened the audience of the various social welfare activities undertaken by its members in Shimogga and invited the students to join hands in its activities for the upliftment of the underprivileged and the down trodden.

Mrs.Sharada, Coordinator of Sexual Harassment Redressal Cell and Mr. Satish, Coordinator of NSS unit were also present on the stage. Dr. Basavarajappa Y H, addressed the students stating that Waste disposal or waste management refers to managing the waste from its initiation to its final removal. This includes collation, transportation, processing, re-cycling and finally disposal of waste along with monitoring, regulation and control. As waste management is one of our country's most important concerns these days along with growing population and increasing wastes, the environmental risk factors have also increased.

He further added that the best possible method of managing solid waste is to reuse or reduce them and that there are various ways of waste reduction. He explained about landfills, combustion/incineration and composting, to name a few. Disposing garbage or daily waste in the landfills is the most common method of waste disposal since a long time. This method of waste disposal involves burying the garbage in the land.

The programme ended with vote of thanks by Mr. Mohan R. As a mark of initiation to protect an environment, the chief guest, principal, the faculties and students joined hands to plant some saplings in the college campus.

JAAGRUTHI

One of the best parts in a students' life is hostel life. A hostel is a place where students live in a shared accommodation under supervised administration. The general objective of any hostel is to provide a healthy and safe environment for the students staying away from home. Though every student is expected to confine themselves to the set of rules and regulations of the hostel, they eventually learn to take independent decisions pertaining to their lives.

Hostel life can be a very pleasant journey. Studying and living together develops a great sense of oneness among the students and grows a spirit of cooperation and fellow- feeling among them. Hostel life teaches students a lot of other things like teamwork, helping roommates, a sense of unity, adjustment etc. These develop a sense of responsibility, culture and refinement. Hostel life is full of fun, amusement and youthfulness.

In a hostel a student tends to acquire many good qualities from roommates and other hostellers and at the same time, they are also vulnerable to the bad influence of the others. If there are advantages there are few disadvantages as well. Some of them may include – a sense of loneliness, ragging by seniors, influence of bad company, difficult to concentrate on studies, less comfortable living conditions, digestive problems with routine food, wasting time in fun, enjoyment and merry- making, late night sleeping patterns etc. The unlimited freedom proves harmful for such students.

Sometimes, they fail to choose good companions. And hence, JAAGRUTHI.

Counseling Cell, PES Trust, Shivamogga takes pride in bringing up the new Awareness Campaign Series – JAAGRUTHI, for all hostellers of PES Group of Institutions. JAAGRUTHI- one of its kind initiatives at PES aims to address the issues and concerns pertaining to overall wellbeing of the female students at the hostels. The Campaign emphasizes the importance of adopting healthy habits to maintain both physical and mental well-being of the students. The Campaign addresses the issues right from basic health and hygiene to building healthy lifestyle.

JAAGRUTHI 2020 is specially crafted with activities & fun games, for girl hostellers on different themes and concepts throughout the year for a HAPPY HOSTELLING!!
