I hope you have received the funds amounting to Rs. 0.50 lakh in your bank account by NEFT electronic funds transfer from IIT Delhi under the UBA program. The details of Institution, account number of institutions, UTR number and date of funds transferred are attached here for your kind information. Kindly acknowledge the same and mention the date of transfer of funds in your reply email. The funds are mainly meant for assistance for awareness, Gram Panchayat Development Plan (GPDP) study, need assessment, and contingency expenditure.

The next step is to complete the survey of all the villages adopted by you under the program. Please find attached a copy of a template for Baseline Household survey form as well as the Village survey form to be filled in during the field survey. An attempt should be made to cover all Households in the village. One Village survey forms is to be filled for each village. Kindly get it completed in all respects as soon as possible. Then the data should be uploaded online on the reporting portal of UBA website from your side.

Unnat Bharat Abhiyan (UBA)

PES Institute of Technology and Management has registered under UBA on 26th September 2018 with AISHE CODE: C-1358.

Unnat Bharat Abhiyan Coordinator: Dr. C M Sharanaprabhu,
Professor,
Mechanical Engineering Department,
PESITM, Shivamogga-577204.

Fund: Ministry of Human Resource Development (MHRD) funded 50000 rupees for house hold survey.

PES Institute of Technology and Management College adopted **five villages** under UBA program:

- 1) **Santhe Kadur**
- 2) **Kadikal**
- 3) **Bidare**
- 4) **Gajanur**
- 5) **Harnahalli**

The Ministry of Human Resource Development (MHRD), government of India has launched the program of Unnat Bharat Abhiyan (UBA), a national program with the vision to involve the professional and other higher educational institution of the country in the development process of Gram Panchayats, so as to enable village clusters to achieve sustainable development and better quality of life. Unnat Bharat Abhiyan is vision of transformational change in rural development processes by leveraging knowledge institutions to help build the architecture of an Inclusive India. Under UBA program, house hold survey is a participatory method to gather/ collect information by involvement of Rural/local communities for decision making and implementation of the development project, **"for the Rural community, by the Rural community and with the Rural Community"**. It is a process to involve the community in planning and

decision making. Community develops their own skills needed to address issues, analyze options and carry out activities. Participatory decision making reflects respect for human dignity and creating the opportunity for individuals to fulfill their responsibility to exercise the right.

Objectives: House hold Survey

- To obtain the information related to present and previous scenario of the villages.
- To find out the basic issues related to the basic infrastructure and amenities.
- Spatial mapping of the information issues.
- Best possible solution based on this survey and to get feedback on this.

Information related to House hold Survey visit of five adopted Villages

1) Snathe Kadur: Visited on 7th June 2019

Faculties: Dr C M Sharanaprabhu, Dr Y H Basavarajappa, Dr Aveesh, Prasanna Nayak, Abhishek C R, Deeksha Kamath.

Students: 2nd sem all branch

Professor & Head
