About Us

The PES Polytechnic Institute was established in 2011. The campus is about 4.125 acres, amidst the greenery and tranquility of nature on the Sagar Main Road, Shivamogga. The institute aims to be one of the premier institutes for polytechnic education. Besides this, the well-qualified faculties guide the students in updating themselves with the latest trends and through industrial visits.

The institute is affiliated with the Department of Collegiate and Technical Education, Government of Karnataka, and approved by the All India Council for Technical Education (AICTE), New Delhi, and recognized by the Government of Karnataka.

The institute offers Diploma courses in Civil Engineering, Computer Science and Engineering, Electronics and Communication Engineering, Electrical and Electronics Engineering and also Mechanical Engineering.

Vision

The vision of the institute is – “To be the most preferred institution for polytechnic education, and entrepreneurship by creating professionally superior and ethically strong global manpower.

Mission

The mission of PES Polytechnic is – “To prepare students for professional accomplishments and responsible global citizenship while fostering continuous learning and to provide state-of-the-art education through the committed and highly skilled faculty by partnering and collaborating with industry”.

Message from Principal

I am proud to be associated with the proactive management of PES Trust, which has created an incredible societal infrastructure to cater to the needs of all stakeholders, with the cost of education more affordable and driven by continual improvement within the organisation. Our classrooms provide environments that encourage students to develop a lifelong love of learning, technical knowledge, effective communication, critical and creative thinking, besides engaging with extracurricular activities. These will surely make a positive difference in students' lives. Our teachers establish a relationship of trust with parents/guardians in the interest of the all-round development of students.
